School Wide Competency: Relating to Others

Dear Parents/Caregivers,

Kia ora koutou,

Message from Principal:

Hi everyone,

It is one week until the end of Term and the end of the 2016 school year. The children are all looking tired, but are very enthusiastic about sharing their Christmas plays and songs with you next Wednesday at the Prize Giving and BBQ. Both classes have been spending a lot of time practising, and we all look forward to seeing them in action. We would love to see parents, families and wide community at this special event.

Last Friday the staff at WVS proudly attended Lisa McDonald's formal graduation after completing her two year Provisional Registration. Lisa became fully registered in June this year. The evening was attended by approximately 150 people, there to support new graduates across the Marlborough region.

The weather has suddenly turned warm. Although the pool water readings are not quite ready to allow swimming, the staff are very happy for the children to bring their swimming togs to school for a play under the sprinklers. Rochelle is working hard to ensure the pool is ready for swimming by Wednesday.

Please note that the last day of Term is Friday 16th December and school will finish at 2pm on this day. The bus will run an hour earlier than usual.

We look forward to seeing you all on Wednesday afternoon.

Kind regards,

Karen
